DETAILED ACTION

Election/Restrictions

1. Applicant's election without traverse of embodiment 4 (claims 13-14) in the reply filed on 08-05-04 is acknowledged.
2. Claim **13** is generic and allowable. Accordingly, claims 15-22 are no longer withdrawn from consideration since all of the claims to this species depend from or otherwise include each of the limitations of an allowed generic claim. However, claims 1-12 & 23-25 remain withdrawn from consideration since these claims do not depend upon or otherwise include all the limitations of an allowed generic claim as required by 37 CFR 1.141.
3. This application is in condition for allowance except for the presence of claims **1-12 & 23-25** to an invention non-elected in the reply filed on 08-05-04. Applicant is given **TWO MONTHS** from the date of this letter to cancel the noted claims or take other appropriate action (37 CFR 1.144).

Specification

4. The abstract of the disclosure is objected to because it does not describe the embodiment 4. Correction is required. See MPEP § 608.01(b).

Art Unit: 2811

5. The title of the invention is not descriptive. A new title is required that is clearly indicative of the invention to which the claims are directed. The examiner suggests that "Ultra-low power (ULP) MOS diode".

Allowable Subject Matter

6. Claims **13-22** are allowed.

The following is an examiner's statement of reasons for allowance:

Prior art reference neither teach nor make it obvious as a whole the claimed limitation of the instant application, as recited in claim 13, either taken alone or in combination.

7. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

8. This application is in condition for allowance except for the above formal matters:

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

Art Unit: 2811
